## COFFEE / TEA

Our coffee is fresh ground and brewed all day for maximum flavor. Our teas are fresh delivered direct from China. We are very selective.

### AMERICANO

A fresh pull fresh ground, dark-roast espresso softened with water.

### LATTE OR CAPPUCINO

We pull a strong espresso blend for our house specialty.

### CAFFE MOCHA

Rich, milk chocolate blends with foamed milk and a fresh espresso coffee and topped off with whipped cream and a cocoa dusting.

### CARAMEL MACCHIATO

We start with frothed milk and rich caramel sauce and top it off with stiff foam to which we add coffee espresso for an experience to die for.

### CAFFE WILLAMETTE

Willamette Valley hazelnut and Ghirardelli® white chocolate stirred into steamed milk and our house espresso; it's earth-shakingly good.

### OREGON CHAI

Warm spices and black teas abound in this aromatic favorite.

### HOT CHOCOLATE

Rich milk-chocolate made with milk, topped with whipped cream.
